Western Welcome Week

The 90th Western Welcome Week Grand Parade was on Saturday, August 18. Alumni members started early Saturday morning, setting up and working on the parade route, Dunk Tank and K-9 booth. It was a beautiful day and the rain held off until the parade ended.

The Chief's Corner

Chief Doug Stephens

What has happened to LPD grooming standards! Purple hair, unshaven faces? No, you're not seeing things; it's the time of year once again when Littleton Police personnel alter their appearances in the form of purple hair to support National Domestic Violence Awareness Month in October; and grow beards to support a charity, yet to be identified, for No-Shave November.

These "traditions" began a couple of years ago when officers sought permission to put a temporary stay on the strict department grooming standard prohibiting beards. I have been approached in a variety of ways, some rather creative, over the years by pro facial-fur officers seeking a reversal of that standard. While I eventually caved on the visible tattoo policy, I've held strong on LPD officers not looking like Duck Dynasty....well except for Scott Senior!

When officers requested to participate in No-Shave November to support a charitable cause I allowed "reasonable" facial hair for that month for officers donating to the charity. It has been an interesting couple of Novembers with some officers demonstrating their ability to grow facial hair quickly like a woolly mammoth, while others spend all month trying to squeeze out two stray upper lip hairs...but it looks good on you Luke! While the facial hair drives me crazy, I enjoy the fun they all have during the competition and the meaning behind their efforts to support a good cause.

In keeping with our good-hearted attack on the grooming standards, I approved a request last year for department personnel to participate in the effort to raise awareness during Domestic Violence Awareness Month in October. The awareness color for this good cause is purple. Again this October, all department personnel are encouraged to dye their hair purple to support Domestic Violence victims. Last year several people took part and added a splash of color to our workplace.

It's a fun time of the year as we head into the holidays, and Purple Hair October and No-Shave November demonstrate our commitment to the community we serve....even if we look like an unshaven purple dinosaur! So if you see a woolly mammoth or Barney walking around the station, you'll know they are actually supporting great causes.

The Chief's Corner

If you'd like to help, you can donate to the following Domestic Violence charities:

Gateway Domestic Violence Services

Gateway offers counseling, residential care and court advocacy services for domestic violence victims in Arapahoe County. Their mission is to prevent and eliminate partner violence and to empower people for social transformation.

Website <http://www.gatewayshelter.org/> , donate using your credit card or PayPal

Family Tree Women In Crisis

The purpose of Family Tree Women In Crisis is to keep victims safe from domestic violence by providing a 24-hour crisis line, emergency residential facility, safety planning, advocacy, community resources, health care and other supportive services.

Website <http://www.thefamilytree.org/en/get-help/106>

SafeHouse Denver

SafeHouse Denver assists adults, children, and youth in reclaiming their right to a life free from domestic violence.

Website <https://safehouse-denver.org/> for online donation form.

Mountain Peace Shelter

The PeaceWorks organization owns and operates Mountain Peace Shelter, a temporary, secure and confidential place for individuals, families and pets experiencing intimate partner violence. Serves Jefferson and Park County communities.

Website <http://mountainpeace.org/about-peaceworks-and-mountain-peace-shelter/> for online donations.

Board Stuff

President's Message

Kay Thacker

Welcome to Colorado's Fall Season:

Summer has been busy and productive for the LPCAAA Alumni having successfully navigated our annual volunteer activities as well as some new challenges.

In addition to the Jr. Academy and WWW we enjoyed a fantastic picnic headed by Tami Wasson (organizer extraordinary!!), which included a tremendous variety of goodies.

After assisting at the Mission Hills Church's fundraiser on Memorial Day weekend, LPCAAA volunteers staffed 3 Saturday Shield 616 fundraisers at King Soopers to support the LPD in obtaining enhanced tactile gear. To date, donations have risen to \$47,000. The Department is awaiting details for a mass distribution to the LPD officers.

Ahead this fall is the second 2018 Drug Take-Back in late October. On the Friday of Thanksgiving week LPCAAA volunteers will once again provide traffic and pedestrian support for the annual Littleton's Candlelight Walk. Volunteers will also guide Santa's "sleigh" down Main Street through a cheering throng of Santa fans (of all ages). The lighting of the trees and street symbolizes that the holidays are peaking around the corner.

Our Holiday Potluck will remain on the first Thursday in December. Save the date to enjoy the festively decorated training rooms and more great food.

On a more serious note, your LPCAAA Board was invited by Parker's newly organized C. A. alumni association to share information about our organizational structure and general experiences. Five Board members attended and were honored to help a fledgling association.

I extend a heartfelt thank you to all our Alumni members, who are a productive and inspiring group of volunteers supporting our Littleton Police Department.

Enjoy the cooler weather !!!!

Kay S. Thacker
LPCAAA President

The logo for the Littleton Police Citizen Academy Alumni Association (LPCAAA). It features the acronym "LPCAAA" in a bold, white, italicized font with a black outline, set against a blue background that resembles a stylized wave or a speech bubble.

Director of Volunteer Coordination – Joe Hanson

Summary of Alumni Events

Junior Police Academy

Mission Hills Church once again hosted the Junior Police Academy on June 22. Alumni volunteers assisted LPD School Resource Officers with student graduation by setting up and operating the Ride Smart Carts and Trikes.

Set up for the Ride Smart program was in a different portion of the Mission Hills parking lot, requiring a creative course layout. The late morning event saw a little excitement as an unexpected windstorm began pushing one of the pop-up tents across the parking lot. Fortunately for us, several of the students immediately ran and caught the tent before it could crash. Good reflexes, kids!!

In conjunction with the Ride Smart activities, Alumni volunteers also served cake and refreshments to students and guests under a pop-up tent close by. The nearly perfect weather contributed to an enjoyable morning – at least, until the freak wind storm. Luckily, most of attendees had finished their refreshments before the storm blew in.

Alumni Barbeque *(no photos available for this event)*

The Pavilion at Wolhurst Adult Community was the scene of this year's LPCAAA Annual Summer Bar-B-Que and Picnic on Sunday July 29. More than 60 LPCAAA members and their guests enjoyed a wide variety of potluck dishes and a seemingly endless supply of delicious hamburger and hot dogs. Activities included cruising on Wolhurst Lake via a paddle boat donated courtesy of Ron and Carol Etter, and the always popular "ladder toss" game.

LPCAAA

Special kudos extended to Tami Wasson for volunteering to spearhead the event this year. Good job, Tami, for organizing and arranging the great food for the day.

Western Welcome Week – Parade

(Click here for photos)

The signature events for the LPCAAA are the Western Welcome Week activities including assisting LPD with crowd and traffic control at the Grand Parade on Saturday, Aug. 18. A total of 20 Alumni members participated in the parade event, with 17 of those participants attending a pre-parade orientation on the Thursday before the parade.

A large number of our volunteers work duty stations along Gallup Street, the customary staging area for parade floats and entrants. Per the request of LPD, a new duty station was established this year at Parkhill Ave. and Gallup Street, requiring a member with parade experience and know-how. Fortunately, Sara Shedd agreed to move from another location to accept the challenges of this post and performed very well.

In addition to the challenge of managing a new location on Gallup Street, our members demonstrated their value by assisting with an incident involving an injured parade marcher. Martie Jostes deserves special recognition for her assistance with a vision-impaired marcher at a downtown location, effectively and efficiently using her radio to call for medical help when the person stumbled resulting in head injuries. Paramedics quickly reached the scene and were able to treat the victim. Thanks for your quick action, Martie!

Western Welcome Week – Dunk Tank *(no photos available for this event)*

The second signature event during Western Welcome Week is the Dunk-a-Cop fundraiser held as part of the post-parade Festival. Once again located at Bradford Auto on Main Street, this year's event featured something new – a different, and better, method of filling the dunk tank.

Rather than rely on Littleton Fire Rescue to assist filling the tank by using a nearby fire hydrant, Mickey elected to fill with tap water from his shop. Needless to say, this was a much cleaner and healthier method and much appreciated by the LPD officers being dunked!

After a brief but intense rain storm shortly after noon, Officers Steve Keliholokai and Jeff Farmer alternated as dunkees and sitting on the “hot seat” above the cool water. Together, they made perfect targets as the event raised \$648.00 for the LPCAAA. Thanks for your willingness to help us, Officers!

LPCAAA

Citizen Academy Class – Fall 2018

After the disappointment of a cancelled Spring-2018 Citizen Academy, due to a lack of community interest, we were pleased to hear that the Fall-2018 Citizen Academy was proceeding with a full class of more than 25 participants.

Alumni volunteers assist Barb Andres and Sgt. Skundberg with classroom preparation, monitoring class participants' entry into the City Center, and additional duties as requested. A less noted, but nonetheless important role of the volunteers is representing the LPCAAA as ambassadors to the class members. Our expectation is to accept as many of the graduating academy members as possible into the LPCAAA, and the Alumni classroom volunteers should help spark their interest. Thanks for all of your help, volunteers!

Programs

June

The speaker for the June program was Kyle Ward, the Assistant Professor in Criminology & Criminal Justice at UNC. He runs the *Reading for Change* program at the Weld County and Boulder County jails. This program tries to help prisoners cope after prison-life by helping them build a bond with their family.

July

Sgt. Craig Ream from the Arapahoe County Sheriff Office gave a presentation on Court Services in the July program. He described what a day in the life of a Justice Center Officer is like and explained how the court system works for adults and juvenile.

August

Chief Stephens was our guest speaker for the program portion of our August meeting. He updated the Alumni on what has been happening at LPD and finished his presentation with a Q&A session.

September

For the September meeting, LPD's new Division Chief Andy Smith was introduced to the Alumni. He gave a brief overview of his 27 years in law enforcement in Minnesota and then spoke about his experience with the FBI Joint Terrorism Task Force. He used a case study on Mohamed Kamel Elzahabi to describe how the JTTF works.

National Night Out 2018

(Photos & article by Mary Manley – article edited for length & clarity)

We had over 100 visitors and beautiful weather on Tuesday, August 7th at our fifth annual St. Mary's NNO Party.

Chief Stephens, who noted "It has become a tradition for me to come," and City Councilwoman Karina Elrod (a parishioner) attended. St. Mary's pastoral vicar, Fr. Armando Marsal, gave a traditional blessing. Longtime Littleton resident, parishioner and KC Member Ray Bowman once again lent his antique fire truck for the event.

LPD was also represented by Ofr John Jones and K-9 Koda, Sgt Tim Kampmann, Ofr Jason Gallardo, Corp Jeff Farmer, Sgt Kevin Hampton. Ofr Michael Hronick handled McGruff (Ofr Andrew Barnard).

A large Thank You to all who attended and contributed to a most enjoyable evening.

LPCAAA

Friends of Littleton K9 Fundraising

Articles & photos by Joe Hanson

Romano's Fundraiser

Romano's Pizzeria invited the Friends of Littleton K-9 back for an end-of-summer fundraiser on Sept. 26. We are so blessed to have such great support from the owners and staff of Romano's! And, we greatly appreciate the fantastic support of the community and the LPCAAA for these important events. This was another tremendous success for us, resulting in more than \$1,200.00 in donations and product sales, plus an as yet to be determined share-back from Romano's. Thanks!!

The true guests-of-honor, though, are the K-9 Teams and the dogs!

Both K-9's spent the entire day with us, visiting with the many diners throughout the day. The dinner-time rush saw Romano's lobby full with a waiting line out the front door. Of course, this provided a few extra moments for the diners to visit with the handlers and dogs. And, the weather cooperated with mild temps and sunny skies. Overall, we couldn't have asked for a better day.

Garlic Knot

To wrap up the 2018 fundraising season for the Friends, we have partnered with The Garlic Knot South Park to attempt a first-time event on a Saturday. The Garlic Knot already hosts an early summer fundraiser and, eager to try an autumn event, agreed to an all-you-can-eat pizza buffet on Oct. 13. In addition to making this the inaugural Saturday fundraiser, the K-9 teams have agreed to perform demonstrations which will be the first time for demos at a restaurant event. We are especially indebted to the PD command staff for consenting to permit the K-9 teams to attend this event, the fifth public event at which both of the dogs appear.

LPCAAA

Friends of Littleton K9 In the Community

Meet, Greet & Eat

The Friends of Littleton K-9 attended all four of the city's Meet, Greet & Eat neighborhood pizza parties during the summer. Littleton city staff graciously invites the Friends as part of their community outreach program.

A canopy tent is erected allowing us to display all of our K-9 branded merchandise including: women's earrings, challenge coins, writing pens, T-shirts, ball caps, lap throws, vests, two styles of hoodie and the ever popular plush toy dogs.

We are continually amazed with the large number of city residents who are unaware that Littleton Police has a K-9 Unit featuring two well-trained teams. Attending these events helps spread the word about the K-9 program and provides citizens an opportunity to help support the dogs and handlers. Whenever possible, one of the K-9 teams attempts to drop by our booth to interact with the residents, young and old! The dogs are always a big hit at the events and truly loved by all. Hope to see YOU at one of the get-together's next year.

WWW Festival

The summertime highlight for the Friends of Littleton K-9 is the Western Welcome Week festival featuring demonstrations by both LPD K-9 Teams. For the first time in four years, Reinke's Brothers hosted the Friends booth, allowing us to be located adjacent to the venue for the K-9 demos at Lewis & Bark parking lot. We would like to extend a big "Thank You" to Greg at Reinke Brother's, and Frank at Lewis & Bark, for their awesome support of the K-9's.

Although this event is not a large monetary fundraiser, many festival attendees visit our booth and watch the K-9 demos which helps raise community awareness of the dogs and our organization. And speaking of the demos, both teams exhibited their skills for drug detection and suspect apprehension. A quick moving rain storm delayed the start of the first demo but it was well attended in spite of the weather. Both of the remaining demos were very well attended and much appreciated by the crowds. We greatly appreciate the hard work of both K-9 Teams: Officer John Jones with his partner Koda, and Officer Krista Dimock with her partner Zan.

Friends of Littleton K9 at 2018 WWW

President-Elect	Carole Downey Jessica Martin
Treasurer	Sue Otto
Director of Programs & Training	Jennifer Kernan
Director of Volunteers	Tami Wasson

Carole Downey
Nominated for President-Elect

What year did you graduate from the Citizen Academy class and when did you join LPCAAA?
 Graduated in Fall 2017 & joined LPCAAA in Fall 2017

Why did you take the Citizen Academy class and/or join LPCAAA?

While living in Englewood, I attended the Englewood Citizen's Academy and found it to be a very worthwhile experience. I work in Littleton and an Academy Alumni came to my office to leave some literature about an event. I was happy to learn that I would be able to attend the Littleton Citizen's Academy. I feel it is very important to support our Police Department and learn about them.

What do you like about volunteering for LPD?

I have been very blessed in my life and feel a responsibility to give back whenever an opportunity becomes available. I truly enjoy being a part of a group that enables me to interact and hopefully help others. I have met many people that are very passionate about helping our police department.

How would someone describe you?

I hope that they would describe me as a caring, dependable and very organized person. I carry the title of "Work Mom" at the office, so I guess I would add nurturing also.

LPCAAA BOARD NOMINEES

Besides the regular activities Alumni members participate in, what other jobs/events did you undertake or are currently a part of (sub-committee, ad-hoc committee, extra volunteer work, past-Board positions, etc.)?

I am a proud member of the Friends of Littleton K9 group. I was able to help staff the tent for Western Welcome Week and the Romano's fundraiser. In the past I held the Office of PTO president at Bishop Elementary and Treasure for my son's Boy Scout Troop for several years. I also was a Girl Scout and Cub Scout Leader when my children were younger.

What can you bring to the Alumni by taking this position and sitting on the Board?

I can bring my previous Board experience and organizational talent. I am very open to suggestions and would be happy to share ideas from the Alumni members to the Board and Chief.

What changes would you like to see for LPCAAA?

Being fairly new to LPCAAA, I have not been able to see the changes that have occurred previously. My only hope as of now, is that we continue to grow our membership and are able to continue to support our Officers any way we can.

Is there anything else you want to tell the other Alumni members about yourself?

I want to thank you for your consideration and if elected want you to know that I will always keep the best interests of the organization in all things that are done.

LPCAAA BOARD NOMINEES

Jennifer Kernan **Nominated for Director of Programs & Training**

What year did you graduate from the Citizen Academy class and when did you join LPCAAA?
I THINK I took the class in 2015 and joined the Alumni right after the class.

Why did you take the Citizen Academy class and/or join LPCAAA?
I grew up in Littleton & felt it was a good way not only to get to know the city better but also to give back. I have always been interested in knowing more about law enforcement too.

What do you like about volunteering for LPD?
When volunteering, you get to meet so many different people and also appreciate what a wonderful place Littleton is.

How would someone describe you?
I suppose people would say I was outgoing and maybe not afraid to jump in but in reality I have to work hard to make myself step out of the bubble.

Besides the regular activities Alumni members participate in, what other jobs/events did you undertake or are currently a part of (sub-committee, ad-hoc committee, extra volunteer work, past-Board positions, etc.)?

I volunteer for my Church and also Littleton Public schools. For the first time I am going to work as an election judge in Arapahoe County. At one time in my pre-retirement life I was active in the APTA (professional organization for Physical Therapists)

LPCAAA BOARD
NOMINEES

What can you bring to the Alumni by taking this position and sitting on the Board?

My only hope is that I can continue to bring great speakers to the meetings and fill Laurie's shoes adequately

What changes would you like to see for LPCAAA?

I don't really see any changes. I do believe that the speakers are WHY people come to meetings and, though business meetings are necessary, they can be short & concise. I don't believe speakers should be cut off just to get to business meeting

Is there anything else you want to tell the other Alumni members about yourself?

There is nothing else I can think of

LPCAAA BOARD NOMINEES

Jessica Martin Nominated for President-Elect

What year did you graduate from the Citizen Academy class and when did you join LPCAAA?

I graduated and joined the LPCAA in 2017 and then completed the CSV Program training. Ever since, I've been fully committed to participating and being actively involved.

Why did you take the Citizen Academy class and/or join LPCAAA?

The decision to go through the Citizen Academy and join the LPCAAA was to fulfill a desire to learn more about the inner workings of the Police Department, see first-hand the daily experience of the officers (as much as possible), and to live out a dream of being involved in law enforcement but not have to live it daily. Another strong attraction was the communication bridge between the Police and local community. In this day and age, I feel it more imperative than ever that people learn as much about what our law enforcement goes through on a daily basis (as much as possible) to gain a more realistic perspective and to increase support. It's boils down to support, communication and awareness.

What do you like about volunteering for LPD?

I am passionate about learning and learn best when I'm doing. The more I volunteer, the more I feel I can make a difference and love having the privilege to participate in something greater than me. Everytime I volunteer for an event or to patrol with the CSV, I am granted the opportunity to work with inspiring, entertaining, and all around great people. There is always a "take-away".

How would someone describe you?

Simple: fun loving, hard working, fur mom that loves to read, learn and be made a little uncomfortable. Like the old adage says, "Your learning begins where your comfort zone ends."

The logo for the Littleton Police Citizen Academy Alumni Association (LPCAAA). It features the acronym "LPCAAA" in a bold, white, italicized font with a black outline, set against a dark blue background that resembles a stylized speech bubble or banner.

Besides the regular activities Alumni members participate in, what other jobs/events did you undertake or are currently a part of (sub-committee, ad-hoc committee, extra volunteer work, past-Board positions, etc.)?

I work full-time with Payroll Vault, a local payroll processing company; Operate The Savvy Hiker - a hiking and adventure company that teaches safety and cleanliness when in the wilderness; and the CSV Program.

What can you bring to the Alumni by taking this position and sitting on the Board?

In reading through the "job" description for the volunteer position of President Elect, I believe I can bring fresh eyes, , open ears, creative suggestions, and most importantly - dedication.

What changes would you like to see for LPCAAA?

Being a member for a year, my only immediate suggestion would be more volunteering opportunities and a stronger community outreach. This would be more completely realized as I move into the position and learn what has been done, what has/n't worked, and what range of influence we have as a board and organization. There are many areas that I need to be further educated in before I could fully and honestly answer to making changes.

Is there anything else you want to tell the other Alumni members about yourself?

I love being involved with the LPCAAA and look to further become involved and integrated into the organization. The experience with everyone has been incredibly rewarding to-date, and I look forward to becoming more involved as time goes by. Everyday I get to participate is a privilege.

LPCAAA

LPCAAA BOARD NOMINEES

Sue Otto

Nominated to return as Treasurer

What year did you graduate from the Citizen Academy class and when did you join LPCAAA?
Spring 2013, Class 28

Why did you take the Citizen Academy class and/or join LPCAAA?
Thought it sounded like an interesting class about our city and police department

What do you like about volunteering for LPD?
Great new friends to volunteer with; fun activities

How would someone describe you?
Describe me??? Well hopefully I am friendly, good volunteer, good sense of humor and a successful Treasurer!

Besides the regular activities Alumni members participate in, what other jobs/events did you undertake or are currently a part of (sub-committee, ad-hoc committee, extra volunteer work, past-Board positions, etc.)?

I work with LPD in managing training certificates for the department. I also am one of 3 that take care on inventory for the Patrol Storage; I do sit in Oral Boards; I am one of the founding members of the Friends of Littleton K9 committee; Have been on the Holiday and Potluck Picnic committees

What can you bring to the Alumni by taking this position and sitting on the Board?

I hope to continue my job as Treasurer, taking care of the LPCAAA funds with the highest respect and responsibility. Contrary to current belief, I do not use LPCAAA funds for travel!!

What changes would you like to see for LPCAAA?

I would love to see members from our current academy class join our association.

LPCAAA

LPCAAA BOARD NOMINEES

Tami Wasson **Nominated for Director of Volunteers**

What year did you graduate from the Citizen Academy class and when did you join LPCAAA?
Fall 2016

Why did you take the Citizen Academy class and/or join LPCAAA?
I took the class and joined the LPCAAA because my husband and Mother in Law were enjoying the speakers and volunteering.

What do you like about volunteering for LPD?
It gives me a chance to give back to our community and the officers that put their lives on the line for our safety.

How would someone describe you?
I wasn't sure how to answer this so I asked a friend. Here is her answer: An outgoing, smart, caring woman who fights for what she believes in.

Besides the regular activities Alumni members participate in, what other jobs/events did you undertake or are currently a part of (sub-committee, ad-hoc committee, extra volunteer work, past-Board positions, etc.)?
I was on the nominating committee last year and organized the July member barbecue.

What can you bring to the Alumni by taking this position and sitting on the Board?
A desire to serve the organization and a perspective of someone that is new to the organization.

What changes would you like to see for LPCAAA?
I would like to see us give back to the officers more.

Is there anything else you want to tell the other Alumni members about yourself? I love to give back.

LPCAAA

Mission Statement

LPCAAA's mission is to assist the Littleton Police Department in making our community a safer and better place to live.

Be Prepared!!

Do1Thing is a non-profit organization that aims to build more disaster resilient communities.

Their premise is to take small steps towards being prepared for emergencies by doing one thing a month. This makes it easy for you to prepare yourself, your family, and your community for emergencies or disasters.

Do1Thing in July: Family Communication Plan
